A Fellowship Based on Living Scripture

Today, the spiritual aspects of life can easily become separated from the demands of daily living. But at Abundant Life Center, the scriptures challenge us to see our lives as an integrated whole.

Abundant Life Center is founded on scriptural principles. We affirm that the scriptures provide insight for growing in spiritual wholeness in today's world. As we read in the scriptures about God's involvement with people throughout history, we find valuable guidance for living fulfilled lives now. The scriptural stories we retell bind us together as a community of memory, yet also turn us to the future as a community of hope.

We also testify that God enters into human experience today, illuminating our awareness of the divine nature and purpose. A significant expression of our experience of living scripture is the assurance of continuing direction and insight through prophetic insight today.

We are called to be the Body of Christ and, as such, to be faithful to our mission:

- To love those who are lost as the Lord Jesus loved them, sharing the good news, and making disciples;
- To grow individually and collectively in the likeness of Jesus edifying one another, growing in discipleship, and building up the fellowship; and
- To join with God in the task of establishing His imperial rule, transforming our communities through loving service, building God's kingdom.

We are committed to reaching out to others by reflecting the Love of Jesus Christ!

Through our commitment to this mission and God's leading spirit we have established 5 ministries that assist us in our ministry.
